

Disclaimer

All product specifications and data are subject to change without notice to improve reliability, function or design or otherwise.

FILT AIR Ltd. its agents, and employees, and all persons acting on its behalf, disclaim any and all liability for any errors, inaccuracies or incompleteness contained in any datasheet or in any other disclosure relating to any product.

FILT AIR makes no warranty, representation or guarantee regarding the suitability of the products for any particular purpose or the continuing production of any product. To the maximum extent permitted by applicable law, FILT AIR disclaims (i) any and all liability arising out of the application or use of any product, (ii) any and all liability, including without limitation special, consequential or incidental damages, and (iii) any and all implied warranties, including warranties of fitness for particular purpose, non-infringement and merchantability.

Statements regarding the suitability of products for certain types of applications are based on FILT AIR's knowledge of typical requirements that are often placed on FILT AIR products in generic applications. Such statements are not binding statements about the suitability of products for a particular application. It is the customer's responsibility to validate that a particular product with the properties described in the product specification is suitable for use in a particular application. Parameters provided in datasheets and / or specifications may vary in different applications and performance may vary over time. All operating parameters, including typical parameters, must be validated for each customer application by the customer's technical experts. Product specifications do not expand or otherwise modify FILT AIR's terms and conditions of purchase, including but not limited to the warranty expressed therein.

Except as expressly indicated in writing, FILT AIR products are not designed for use in medical, life-saving, or life-sustaining applications or for any other application in which the failure of the FILT AIR product could result in personal injury or death. Customers using or selling FILT AIR products not expressly indicated for use in such applications do so at their own risk.

No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document or by any conduct of FILT AIR.
